Well my daddy was a hard working man  
And he rambled from town to town  
I'm going to be a ramblin boy  
Ain't never going to settle down

Beefsteaks when I'm hungry  
Something tall and cool when I'm dry  
Give me greenbacks when the times are hard  
Sweet heaven when I die

Well they locked me in the jailhouse  
My friends all passed me by  
Nobody came round to see bout me  
And I can't help but wonder why

Beefsteaks when I'm hungry  
Something tall and cool when I'm dry  
Give me greenbacks when the times are hard  
Sweet heaven when I die

Honey hold me when I'm sad and blue  
Honey cheer me if I cry  
All I really wanted was someone to love me till the day I  
die

Beefsteaks when I'm hungry  
Something tall and cool when I'm dry  
Give me greenbacks when the times are hard  
Sweet heaven when I die
