I want my own reputation
I can't believe that i don't
I can't stand this ugly situation
I just want what i want

I want to be just like my daddy
Then i could drive anything
I could take my own self fishin'
Oh what a joy that would bring

I want my own reputation
I can't believe that i don't
I can't stand this ugly situation
I just want what i want
I just want to be where everybody knows my name

I got to find a girl just like my mama
Then i won't never burn the toast
When i find her i'll introduce her to my family
We'll see who they 'ppreciate the most

I want my own reputation
I can't believe that i don't
I can't stand this ugly situation
I just want what i want
I just wanna be where everyone knows my name

I can't understand my little brother
He don't like to see my magazines
He always cries for mama when we wrestle
He's been more like a sister to me

I want my own reputation
I can't believe that i don't
I can't stand this ugly situation
I just want what i want

I don't like my own reputation
If you ask i'm gonna tell you the same
I got to change this bad situation
I want to be where everybody knows my name
