She's a brick----house
She's Mighty might just lettin' it all hang out
She's a brick----house
She's the one, the only one,
Who's built like a amazon

She's built
She's got everything
A woman needs to get a man
She's built and knows how to please
She comes over and starts a dancin with me

She's a brick----house
She's Mighty might just lettin' it all hang out
She's a brick----house
She's the one, the only one,
Who's built like a amazon
Shake it down
She's a brick----house
She's Mighty might just lettin' it all hang out
She's a brick----house
She's the one, the only one,
Who's built like a amazon

She's got everything
A woman needs to get a man
How can she use, the things she use
36-24-36, what a winning hand!
She's a brick----house
She's Mighty might just lettin' it all hang out
She's a brick----house
She's the one, the only one,
Who's built like a amazon
Shake it down
