When I wake up this morning  
Tell ya what I'm going to do  
Going to pack my suitcases honey  
Going to leave with you  
Down to Austin  
Yes I'm going down to see the town hang around down  
in Austin  
Yeah I'm going down to Austin going down to watch the  
armadillos rootin  
Armadillos rootin all around

Well now when I get down to Austin  
I'm going to sit right down  
Yeah I'm going to drink some of those lone star beers  
honey  
Going to hang around down in Austin  
Yes I'm going down to see the town hang around down  
in Austin  
Yeah I'm going down to Austin going down to watch the  
armadillos rootin  
Armadillos rootin all around

Well when I get down to Austin  
Tell ya where I'm going to go  
Going down to the railways  
I'm gonna watch the blue winds roll

Down to Austin  
Yes I'm going down to see the town hang around down  
in Austin  
Yeah I'm going down to Austin going down to watch the  
armadillos rootin'  
Armadillos rootin' all around

When I'm going down to Austin  
Tell ya what I'm going to do  
Going to pack my suitcases honey  
Going to leave with you  
Down to Austin  
Yes I'm going down to see the town hang around down  
in Austin  
Well I'm going down to Austin going down to watch the

armadillos rootin  
Armadillos rootin all around  
Well I'm going down to Austin going down to watch the  
armadillos rootin  
Armadillos rootin all around  
Well I'm going down to Austin going down to watch the  
armadillos rootin  
Armadillos rootin all around
