

Blue Eyed Devils "Final Solution"

So now it's early in the Second World War
Arise the question of the Jewish hordes
For years they invaded and raped your land
Too much power in the Zionist's hand
Time for a plan that is bold and brave
That'll send every foe to his grave
Rid the Reich of all its pollution
To the Jewish question is the final solution

Too many problems, too many lies
Too much of what you despise
Implement the only plan
Eradicate the so-called chosen man

During German nights and days
Adolf Eichman would lead the way
For the cause of White salvation

Victory, for our race and nation
The plan has started, no turning back
From the entire world, you're under attack
A New Worlds Order for the Aryan man
Regain control of the European lands

Too many problems, too many lies
Too much of what you despise
Implement the only plan
Eradicate the so-called chosen man
The final solution!
White revolution!

You knew what must be done
If war was to be won
Only a few could really see
You would set our race free
From our mortal enemies
Sieg Heil!
