Our time of retribution nears and your time is running out.
This time weâ€™re gonna finish the job, there isnâ€™t any doubt.
Weâ€™ve heard your tales of persecution
and weâ€™ve listened to your lies.
But this time itâ€™s for real, the final genocide.
Holocaust 2000!

Youâ€™re the so called chosen race,
the children of the lamb,
demanding the worldâ€™s sympathy,
itâ€™s just a fucking scam.
And even though your claws run deep
weâ€™ll wipe this earth clean.
The great judaic massacre, the worst youâ€™ve ever
seen.
Holocaust 2000!

The year is closing, extermination is at hand.
Governments will fall, your race driven from this land.
The lethal exodus will end in your demise.
The final genocide.
