

Blue Eyed Devils "Stronger"

Visit "[Stronger](#)" on MotoLyrics.com

I've been knocked down and kicked around
But I've always had courage and stood my ground
I've beaten more people than than have beaten me
No rules, no fear, and living free

Ref.: Tired of hearing what you have to say
I'm doing things my own fucking way
Ain't taking shit any longer
What doesn't kill me only makes me-stronger!

With everyone trying to break my will
I won't lay down and I won't stand still
I've always done what I thought was right
Never afraid to stand and fight

Ref.:

I've seen a lot over the years
Had some laughs and I've she'd some tears
But I kept my faith and never gave in
No turning back, cause I fight to win
