I hate drunk people and I hate sober people
And I hate all people today
And I hate short people and I hate tall people
And I hate all people today

'Cuz I'm havin' a bad day, havin' a bad day
Get out of my way, 'cuz I'm havin' a bad day
I'm havin' a bad day, havin' a bad day
Get out of my way, 'cuz I'm havin' a bad day

I hate horny people and I hate corny people
And I hate all people today
And I hate dumb people and I hate smart people
And I hate all people today
And I hate my boss, barbecue sauce, I just toss them all
away

'Cuz I'm havin' a bad day, havin' a bad day
Get out of my way, 'cuz I'm havin' a bad day
I'm havin' a bad day, havin' a bad day
Get out of my way, 'cuz I'm havin' a bad day

Like a child being chased by a monster
I will never go away
I close my eyes and hope for bright tomorrow
I wanna be alone, I wanna be alone

'Cuz I'm havin' a bad day, I'm havin' a bad day
Get out of my way, 'cuz I'm havin' a bad day
I'm havin' a bad day, havin' a bad day
So get out of my way, 'cuz I'm havin' a bad day

Havin' a bad day, havin' a bad day
Get out of my way, 'cuz I'm havin' a bad day
Havin' a bad day, havin' a bad day
Get out of my way, yeah, get out of my way

I'm havin' a bad day, I'm havin' a bad day
Get out of my way, yeah, get out of my way
Havin' a bad day, havin' a bad day
Get out of my way, 'cuz I'm havin' a bad day
