Chorus:

I
that never slows down
It just keeps rollin
headed for a better town
Dawn breaks red in the eastern sky
and the train moves faster towards another light
I
that never slows down

I race with time to make my way
I cover a thousand miles a day
My God shows me which way to go
and the train won

Chorus

Cross a mile high mountain or a windy plain
My Lord is the captain of this train
Won
and get on board with the one who
