Well Lazarus you fell to the ground (Lazarus died)  
Right there in the heart of town (Lazarus died)  
People gathered all around (Lazarus died)  
Lazarus, Lazarus, where did you go when you left this  
mortal world?

We wrapped you up in your death clothes (Everyone  
cried)  
We said goodbye and the tomb was closed (Everyone  
cried)  
Then Jesus spoke and you arose (Everyone cried)  
Crying Lazarus, Lazarus, how did it feel when you left  
this mortal world?

Chorus:  
Lazarus, oh Lazarus, have you heard the news?  
They nailed Jesus to a cross  
Lazarus, can you bring Him back like He did for you?  
For He has left this mortal world

Well you prayed the prayer you know how (Lazarus  
prayed)  
To bring Him back to life somehow (Lazarus prayed)  
But Jesus is in God  
Well Lazarus, I do believe that Jesus still lives beyond  
this mortal world

Chorus
