Well he takes you up
And he beats you down yeah
He plays around and he spends your money
Heaven knows when that feeling goes
I'll show you something special
I'll take the sadness from your smile
I'm gonna show you something special
Take me before you break me up
I feel it growing
It drives me crazy oh
Heaven knows I've been waiting
Waiting for you to come around
I'll take the sadness from your smile
I'm gonna show you something special
Heaven knows if you're gonna stop
I'll show you something special who yeah
I'll take the sadness from your smile
I'm gonna show you something special
Heaven knows I've been waiting
Waiting for you to come around
I'll take the sadness from your smile
I'm gonna show you something special
