Worked all week stayed out of trouble  
Walking straight not seeing double  
Ooh it looked so easy  
Then you came along and burst the bubble  
I saw the monster  
Creeping up on you  
His eyes are looking greedy  
Quite a lot like you  
I've seen that look before now  
Time after time  
Another shot of this  
And you'll feel fine  
Two days of madness  
Well it's been so long since I've been so gone  
I was outta my head but having fun  
Ooh you know that feeling  
When you can't recall the things you done
