War of hearts and minds
Who will pay the price?
Does anybody care?
It's not make believe
You've seen it on your TV screen
I'm glad you're not here

Chorus:
Take my wife please
If you think it's funny
Cut my heart out for a souvenir
Take my life please
If you think it's worth it
I'm glad you're not here
I'm glad you're not here

War of hearts and minds
Seven days later,
I still can't find
Truth and peace
How will i find my way
They say love, love without fear
Is said to be the key
But just look around
No clear answer to be found
(Get me out here)

Take my wife please
If you think it's funny
Cut my heart out for a souvenir
I'd rather it be me
In this tragic comedy
I'm glad you're not here
