It's like this Anna, it's like that Anna (x2)  
Many men wanna piece the thing  
She got eyes that'll pierce your skin  
Whether smiling or crying she sees the end  
And her mind's in the sky but her feet pretend  
That she walks on the beach, sparkin a leaf  
But the trees don't ease what she feels within  
Sees men who see past her,  
But no matter the way that's no faith like folks who  
need pastors  
Real women on a set with actors  
Who all tryin to fuck the director after  
Cue music close up back lights, keep the shadow in the  
front  
Pull back cut to tears and laughter  
Her man is a fool for not tryin'  
Holding up the sky, moments at a time  
Lover and a fighter but for now I'd rather try  
Being neither 'til the people in the theater  
Realize she's a star

Chorus:

Nobody knows it yet but no, no, no disrespect  
'cause you deserve much more than this  
And all through it all, fuck them all is your life to live  
cuz  
you a star.

And nobody knows it yet, but no no disrespect  
'cause you deserve much more than this  
And all through it all, fuck them all is your life to live.  
Now whatever way she talks, heads turn away in a  
shade of dark  
And in a way, many say she was made for art  
If the world is a stage then she played the part  
Worst case scenario she find herself, in the wrong film  
runnin all by  
herself  
And in hell, mademoiselle sells time herself, will she  
ever bail  
only time

will tell  
Real women turn to desperation 'cause one man's love  
ain't  
Enough to save em  
From settlement income, liquidation she fills the  
prescription heroin  
addictions  
Seas and reflections, mirrors never mention  
descendant  
With dreams to get free, lover and a fighter but for now  
rather try  
Being neither to the people in the theater  
She's a star.  
(Chorus)  
It's like this Anna, it's like that Anna...
