It's got to be you

Standing here in my correspondent shoes  
I don't need no place to go  
Sometimes I feel like making other plans  
Should I stay here, I don't know

I've an idea, the world is just a stage  
It's not original but I call it mine  
We are all actors, actors everyone  
Making entrances, learning lines

[CHORUS]

All I want is to feel alive  
All I need is to be satisfied  
All I want, all I want  
All I need is you

I have built upon this reputation  
Lived by proxy for a little while  
It's a glamour life  
There can be no denying  
When you're walking the miracle mile

[Repeat CHORUS]

Standing here in my correspondent shoes  
I don't need no place to go  
Sometimes I feel like making other plans  
Should I stay here, I don't know

[Repeat CHORUS]

It's got to be you

All I want is to feel alive  
All I need is to be satisfied  
All I need is you

[Repeat CHORUS 2x]

It's got to be you

[Repeat CHORUS]
