Play it all  
Ten to one  
Hit the pocket  
Take a run

Night and day  
I'm losing hours on this game  
Risking to become  
Insane

Flip a coin  
Take your time  
Make a choice for  
Just a dime

Crazy mania  
Rising fever in my brain  
Ooh, what's a man to do  
When the music's on the groove?

Bye-bye to the boy-boy  
Juke box boy  
Bye-bye to the boy-boy  
Juke box boy

Bye-bye to the boy  
It's got a hold  
Bye-bye to the boy-boy  
Juke box boy  
Coming alive

Shoot the moon  
Button down  
Burning bridges  
To the ground

Night and day  
I'm losing hours in this place  
Risking to forget  
My face

Greedy box

Blinking light  
Turning records  
Rare delight

Crazy mania  
Rising fever in my brain  
Ooh, what's a man to do  
When the music's on the groove?

Bye-bye to the boy-boy  
Juke box boy  
Bye-bye to the boy-boy  
Juke box boy

Bye-bye to the boy  
It's got a hold  
Bye-bye to the boy-boy  
Juke box boy

Coming alive  
Coming alive

Bye-bye to the boy-boy  
Juke box boy  
Bye-bye to the boy-boy  
Juke box boy

Bye-bye to the boy  
It's got a hold  
Bye-bye to the boy-boy  
Juke box boy

Bye-bye to the boy-boy  
Juke box boy  
Bye-bye to the boy-boy  
Juke box boy

Bye-bye to the boy  
It's got a hold  
Bye-bye, boy-boy  
Juke box, juke box, juke box boy
