Hypnotized by sounds  
Sounds and their imploring  
(Repeat)

I was born  
Dancing with a squeak in my heart  
Ooh-Ooh Dah-Ooh  
Jumping together  
Once I heard it  
We were on our way to the dance  
Ooh-Ooh Dah-Ooh  
Sound is forever

Let me in the senseless feeling now that I'm back  
Ooh-Ooh Dah-Ooh  
You can't let it go  
Day and night the sounds just try to keep us together  
Ooh-Ooh Dah-Ooh  
We make up forever

Too many games that I played  
With my heart when I commit a lie  
Well like a child you can learn  
You may go it's to know it's the key key key key

(Chorus)  
Key key karimba  
'Nother foolish name inside a story  
You know what I mean  
Key key karimba  
Hypnotized by sounds  
And their imploring  
It's changing the scene  
(Repeat)

Now I know you finally got a squeak in your heart  
Ooh-Ooh Dah-Ooh  
You can't let it go now  
It's in your blood  
I see it when I look in your eyes  
Ooh-Ooh Dah-Ooh  
Let's feel it together!

Too many games that we played  
With our hearts when we commit a lie  
Just a child you can learn  
You may go its to know it's the key key key key

(Chorus)

(Repeat first 2 verses)

(Chorus, then fade)
