Every time she looks at me I can feel electric heat -  
All right  
All right.  
Shiny sparkle in your eyes as she's moving in disguise -  
All right  
All right.

I am losing my control  
May be time to take a hold -  
Tonight  
All right.  
Body spinning all around  
Don't know if I'm up or down -  
I'm on fire.

Breaking up the night-shaking up the night-breaking up  
the night-  
Come on it's time to hit the floor

You can be sure you won't get bored.

Woody woody boogie  
Woody woody boogie

Woody get down tonight  
Woody get down tonight  
We're on the go.  
Woody woody boogie  
Woody woody boogie

Woody get down tonight  
Woody get down tonight  
We're on the go.

Woody - woody woody boogie  
Woody woody boogie

Woody get down tonight  
We're on the go.  
Woody - woody woody boogie  
Woody woody boogie

Woody get down tonight  
We're on the go.

People jumpin' in the air  
Going crazy everywhere -  
All right  
All right.  
I keep starting at her face when the clock begins to  
race -  
All night  
All night.

I am losing my control  
May be time to take a hold -  
Tonight  
All right.  
Body spinning all around  
Don't know if I'm up or down -  
I'm on fire.
