Walking around on broken leg,  
But I can't get you outta my head.  
I can't get you outta my head,  
And you don't want to know me.

And all these fakes and all these frauds  
You get your leg up and  
The big supports  
I'm drowning, I'm drowning.

Went to bed with leg on a chair,  
Well they don't want to see me again.  
All your lovers and all of your friends,  
Well they don't want to know me.

Walking around on broken leg  
But I can't get you outta my head  
I can't get you outta my head  
What was that that I heard you say?  
Well they don't want to know me!

And all these fakes and all these frauds  
You get your leg up and  
The big supports  
I'm drowning, I'm drowning!

And all these girls with their high IQ's  
You can try to resist but it's no use  
I'm drowning, I'm drowning!

It all comes down to you  
It's all on your head  
What you do, what you do  
What you say

Are you gonna get up or are you gonna stay in bed?  
Whoaaa
