Build me a house where I belong
And I'll sing you a song
(Aeh-oh) I love you amigo
Sit by side where you belong
And I'll be your wife (aeh-oh)
Let me live in your paradise

I met you on a trip to Spain
Now I'm alone cause I'm back again
I can't help thinking of you
I'm confused - what shall I do?

I wanna go back to the day we met
Romantic moments are still in my head
A smile on your face and the glance in your eyes
When I left, you said please don't cry

Build me a house where I belong
And I'll sing you a song
(Aeh-oh) I love you amigo
Sit by side where you belong
And I'll be your wife (aeh-oh)
Let me live in your paradise

Build me a house where I belong
And I'll sing you a song
(Aeh-oh) I love you amigo
Sit by side where you belong
And I'll be your wife (aeh-oh)
Let me live in your paradise

I remember all the fun that we had
I didn't realize that it went so fast
Don't be confused, our love is not in vain
I'll tell you what I want, just let me explain

My body shivers when you whisper my name
If you want me I will travel to Spain
I want to live with you by the sea
I just know that you're the best for me

Build me a house where I belong
And I'll sing you a song
(Aeh-oh) I love you amigo
Sit by side where you belong
And I'll be your wife (aeh-oh)
Let me live in your paradise

Build me a house where I belong
And I'll sing you a song
(Aeh-oh) I love you amigo
Sit by side where you belong
And I'll be your wife (aeh-oh)
Let me live in your paradise

Aeh-oh, aeh-oh, aeh-oh
I love you amigo

Build me a house where I belong
And I'll sing you a song
(Aeh-oh) I love you amigo
Sit by side where you belong
And I'll be your wife (aeh-oh)
Let me live in your paradise

Build me a house where I belong
And I'll sing you a song
(Aeh-oh) I love you amigo
Sit by side where you belong
And I'll be your wife (aeh-oh)
Let me live in your paradise
