Baby baby, I love you
Come home and give my heart back
Baby baby, I need you
It doesn't have to be like that
Baby baby, I love you
I feel the magic inside me
Baby baby, I need you
I want your love forever too

I was on a ride to nowhere
You came by and took my heart away
Just like a kiss from heaven
Stay here every single day

Don't forget, don't forget
The fun we had
Just pretend, just pretend
And love will last
Don't forget, don't forget
How we could fly
In my heart you will always be mine

Baby baby, I love you
Come home and give my heart back
Baby baby, I need you
It doesn't have to be like that
Baby baby, I love you
I feel the magic inside me
Baby baby, I need you
I want your love forever too

You know I love you - uh uh yeah
You know I need you, I need you
You know I want you - uh uh yeah
I want you, I need you, forever

Time was passing by so easy
We were flying high upon a sky
Just like a wheel of fortune
I don't wanna say goodbye

Don't forget, don't forget
The fun we had
Just pretend, just pretend
And love will last
Don't forget, don't forget
How we could fly
In my heart you will always be mine

Baby baby, I love you
Come home and give my heart back
Baby baby, I need you
It doesn't have to be like that
Baby baby, I love you
I feel the magic inside me
Baby baby, I need you
I want your love forever too

You know I love you - uh uh yeah
You know I need you, I need you
You know I want you - uh uh yeah
I want you, I need you, forever

Baby baby, I love you
Come home and give my heart back
Baby baby, I need you
It doesn't have to be like that
Baby baby, I love you
I feel the magic inside me
Baby baby, I need you
I want your love forever too

You know I love you - uh uh yeah
You know I need you, I need you
You know I want you - uh uh yeah
I want you, I need you, forever
