Bam bam bam
I can hear your heart beat
Bam bam bam
Everybody move your feet
Bam bam bam
Listen to the beat of mine
Bam bam bam
You and me together, oh

Bam bam bam
I can hear your heart beat
Bam bam bam
Everybody move your feet
Bam bam bam
Listen to the beat of mine
Bam bam bam
You and me together, oh oh

My heart goes bam when you're around
You're the best thing that I found
When I get close to you I see
You are my destiny

I feel so free when I'm with you
You make me feel like no other do
I feel so good when I'm with you
I know by now our love is true

Bam bam bam
I can hear your heart beat
Bam bam bam
Everybody move your feet
Bam bam bam
Listen to the beat of mine
Bam bam bam
You and me together, oh

Bam bam bam
I can hear your heart beat
Bam bam bam
Everybody move your feet

Bam bam bam
Listen to the beat of mine
Bam bam bam
You and me together, oh oh

Sometimes I think the world is cruel
But you make me feel like a jewel
To live my whole life with you
Is all that I wanna do

I feel so free when I'm with you
You make me feel like like no other I do
I feel so good
When I'm with you
I know by now, our love is true

Bam bam bam
I can hear your heart beat
Bam bam bam
Everybody move your feet
Bam bam bam
Listen to the beat of mine
Bam bam bam
You and me together, oh

Bam bam bam
I can hear your heart beat
Bam bam bam
Everybody move your feet
Bam bam bam
Listen to the beat of mine
Bam bam bam
You and me together, oh oh

Uh, baby
I can feel your heart tonight
Come on

Bam bam bam
I can hear your heart beat
Bam bam bam
Everybody move your feet
Bam bam bam
Listen to the beat of mine
Bam bam bam
You and me together, oh

Bam bam bam
I can hear your heart beat
Bam bam bam
Everybody move your feet

Bam bam bam
Listen to the beat of mine
Bam bam bam
You and me together, oh

Bam bam bam
I can hear your heart beat
Bam bam bam
Everybody move your feet
Bam bam bam
Listen to the beat of mine
Bam bam bam
You and me together, oh

Bam bam bam
I can hear your heart beat
Bam bam bam
Everybody move your feet
Bam bam bam
Listen to the beat of mine
Bam bam bam
You and me together, oh oh
