Go!!!
Close your eyes deep
In the 13th dark night
I send out a prayer to you
Close your eyes you can see
The 13th bleeding light
I send out prayer to you
Eyes that shine from deep inside
(Never fade away!)
Eyes that shine from in my mind
(Never fade away!)
That's into your heart
Close your eyes deep
In the 13th dark night
I send out a prayer to you
Close your eyes you can see
The 13th bleeding light
I send out prayer to you
Eyes that shine from deep inside
(Never fade away!)
Eyes that shine from in my mind
(Never fade away!)
That's into your heart
And now that it's shining through the way
And you can see anymore
That's into my heart
Don't let it stop never fade away
I can feel you anymore
And now that it's shining through the way
And you can see anymore
That's into my heart
Don't let it stop never fade away
I can feel you anymore
