Boom digi da di boom digi da di
Boom digi da di de di da
Boom digi da di de di da

Are you ready for the big big party time
Can you show me the way it feels
Are you ready for a suntime party dance
I will show you the way it is

Show me the way and I will tell you that I'm
Boom digi da di de di da
Waiting for the sign of sweet heart tenderness and
Boom digi da di de di da

Gotta give me love oh uh oh oh oh
Gotta give me anything I need
Gotta give me love oh uh oh oh oh
Gotta give me anything in the heat of the night

Do you like what you feel when you look at me
Can you tell me just how it feels
Do you like what I do when we dance around
Can you tell me just how it is

Show me the way and I will tell you that I'm
Boom digi da di de di da
Waiting for the sign of sweet heart tenderness and
Boom digi da di de di da

Gotta give me love oh uh oh oh oh
Gotta give me anything I need
Gotta give me love oh uh oh oh oh
Gotta give me anything in the heat of the night

I will show you, how to feel alive
I will always, be right by your side

Gotta give me love oh uh oh oh oh
Gotta give me anything I need
Gotta give me love oh uh oh oh oh
Gotta give me anything in the heat of the night

Gotta give me love oh uh oh oh oh
Gotta give me anything I need
Gotta give me love oh uh oh oh oh
Gotta give me anything in the heat of the night
