I'm a cow girl  
Bang bi-doo bang  
People say that I'm a bad girl  
And I enjoy it all the time  
I'm livin' in a sad world  
But I know what's on my mind  
I am free as a bird  
Even though you tell me that I can't fly  
I ain't easy to hurt  
I have a perfect life and now I'm telling you why  
I'm a cowgirl  
And I'm ridin' on my horse  
Bang bi-doo bang  
And I'm shootin' all around  
I'm a cow girl  
I get straight to the source  
Bang bi-doo bang  
It's so good to be bad  
I'm a cow girl  
And I'm ridin' on my horse  
Bang bi-doo bang  
Stayin' right on the course  
I'm a cowgirl  
And I'm happy with that  
Bang bi-doo bang  
It's so good to be bad
