My own opinion about living life
Doesn't really mean it's right
We all have different ways to live a day
I always rush to paint my nails
Go outside when it begins to hail
Make excuses why i'm too busy
Always need to get my way
Or i'll scream for a friggin day
In the end i guess i should give up
My brothers raised me up tough
So i beat all the bois up
Teachers got too angry to fast
Give me patience give me trust
Add that up u got love
Simple math the only kind i can do

I wanna party
I wanna sing
I wanna be crazy
Lazy
A lil bit dazy
That's just being me
And that's all u'll need

If i miss u for a day or two
Doesn't mean i did forget you
People get so paranoid these days
So i sleep every other day
There's too much time i can waste
Doing nothing but i have so much fun
Wishing i would grow a few
Inches maybe one or two
But i guess i'll deal with it anyway
When i look into a mirror
I still think nothings dearer
Then the way i look 'cause i don't care
I don't get intimidated
Just a lil discriminated
But what can u do

I wanna party

I wanna sing
I wanna be crazy
Lazy
A lil bit dazy
That's just being me
And that's all u'll need
