Always gazing on
Feel fear and anxiety
Always gazing on
Feel beauty and longing
How many times, how many times,
Is the mountain of idol hide away?
How many times, how many times,
Is the sea of idol wash away?
Long way, long way!
Before it shut from the light
Long way, long way!
Before the day goes over the night (x2)
How many times, how many times,
Is the mountain of idol hide away?
How many times, how many times,
Is the sea of idol wash away?
Long way, long way!
Before it shut from the light
Long way, long way!
Before the day goes over the night (x2)
