"Maybe The Future"

We might find and feel something different (That's okay)
Something I'm sure (That's alright)
Spending countless year
Whatever happens I'm sure
There's sacred hope (I can tell it)
I can feel it(I can tell)
What's in front of me now
As long as there's
I just wanna find out
I can't tell what it is
But it's for sure
Something in the other side
Maybe the future
Yes, my dearest let's go finding out
Shall we go find out
Yes, my dearest let's go finding out
