All these feelings
Building up in me
Driving me insane
Making me crazy
And never have i
Felt so alone
Where i don't feel the warmth
Inside my home
I used to have ur shoulder to lean on
But somehow
U pulled it away
What do i do now
Then i came to see
What i didn't want to believe
That you
Were never there for me

I needed u
Beside me
But u just
Denied me
Of that feeling
Or love
I wanted you to
Hold me
But instead u
Just told me
U were busy
So i had enough
And now i'm gettin up my strength
Changin my love for u to hate
And mending up my heart
So i can move on

I'm independent
Don't need you
'cause i can see through
All ur bullshit
I've had enough of that
And i don't want to
Belong to

Anyone
Especially u
When u don't have the decency to call
Pick me up if i fall
Or even pretend
Like u care
I'm outta here
