I wanna be a supermodel, superstar
And posing on the covers
Here and near and far

I wanna go around the world
In diamonds and pearls
And make the boys fall apart

Remember how we used to dress like fools
Imagined how it was with loads to choose

I'm taking off in high-heels baby
London, Paris, New York-name it
I'm waking up in a bed of roses
Dreaming my day away

I wanna be a supermodel, superstar
And posing on the covers
Here and near and far

There is so much for the eyes in Candyland
So tell me what to do
Your wish is my command

I'm taking off in high-heels baby
London, Paris, New York-name it
I'm waking up in a bed of roses
Dreaming my day away

I wanna be a supermodel, superstar
And posing on the covers
Here and near and far

I wanna be a supermodel, superstar
And posing on the covers
Here and near and far

I wanna be a supermodel, superstar
And posing on the covers
Here and near and far

I wanna be a supermodel, superstar
And posing on the covers
Here and near and far
