Go!

When I fall down on my own  
It came out to meet to me  
(You!) just like waitin' for me the night

The children of the night, in my mind  
(It just the bleeding light)  
Glowing bright  
Children night  
Glowing bright  
It just the bleeding light  
It's just the bleeding light

Glowing bright into the night  
Glowing bright in the bleeding light

Go!

When I fall down on my own  
It came out to meet to me  
(You!) just like waitin' for me the night

The children of the night, in my mind  
(It just the bleeding light)  
Glowing bright  
Children night  
Glowing bright  
It just the bleeding light  
It's just the bleeding light
