Go!

I just see another day  
Someone to see over tomorrow  
You must see yesterday  
I know what you did last day  
The silence of crows  
The art of dying  
I'm walking the other way  
I don't care nothing changin' tomorrow  
Kuzure ochi yuku gensoo no kagiri (The illusion's  
shadow goes to destroy the calm)  
Sozo sareta futashikana kozo (Uncertain structures are  
created)  
ume tsuku sareta hikari no naka ni ha (In the light, it  
starts to bury)  
(It is over) The silence of crow  
No reason why  
"cause just is  
(No reason why)  
So! The silence of crows  
I just see another day  
Someone to see over tomorrow  
You must see yesterday  
I know what you did last night  
The silence of crows  
The art of dying  
I'm walking the other way  
I don't care nothing changin' tomorrow  
Tojikomerareta gensoo mo kageri (confined illusion  
and shadows)  
Sugi saru kao ha futashikana shoozoo (Unsure images  
passing by my face)  
Kizamikomareta ikari no hate ni ha (Cut the anger's  
end)  
(It is over) The silence of crow  
No reason why  
"cause just is  
(No reason why)
