Better way (Go!)  
That you go (I know!)  
Your shadow and it covers on my Halloween  
You remember nights when you slip away  
Run away (Go)  
Down this road (I know!)  
Your shadow and it covers on my Halloween  
You remember nights when you slip away  
Lord of the Light and the Darkness  
Don't forget the 13 Stairway  
Lord of the Light and the Darkness  
Don't forget the room number 308  
Whoa-ohhh  
Don't forget the room number 308!  
Whoa-ohhh  
Don't forget the room number 308!  
Whoa-ohhh  
Don't forget the room number 308!  
Whoa-ohhh  
Don't forget the room number 308!  
(Repet all verses one more time)
