I came into the party
And i say u there
Ur baby blue eyes
And ur spiked up hair
I tried to ignore u
We were a long time ago
But no matter how i hide it
Its gonna show
I started to talk with my friends
But than u came over
With some new chick
Wonder how u know her?
I wanted to ask u
I even tried
But whenever i get around u
I get so tonguetied

We were supposed to be
Together
Forever
Forever aint so long no more
We were in love boy for the longest time
SO why suddenly do i get
So tonguetied

Five months later
Sittin at home
Drinkin some pepsi
All alone
The telephone rings
I say hello?
It turned out to be u
Who woulda known?
It was so weird
I didn't know why
U gave me full closure
And i started to cry

We were supposed to be
Together
Forever

Forever aint so long no more
We were in love boy for the longest time
SO why suddenly do i get
So tonguetied
