It's a typical tropical summer night
I'm in heaven - I'm in paradise
Typical tropical summer night
And it feels so right

Love and sunny weather
Go along together
On this island we are free
Drinking and dancing
Summer romancing
I love it when you're here with me

It's a typical tropical summer night
I'm in heaven - I'm in paradise
Typical tropical summer night
And it feels so right

It's a typical tropical summer night
I'm in heaven - I'm in paradise
Typical tropical summer night
And it feels so right

Beaches and palmtrees
Sunshine and blue seas
The water is nice and cool
Coconut flavour
You are my savior
The heat makes me act like a fool

It's a typical tropical summer night
I'm in heaven - I'm in paradise
Typical tropical summer night
And it feels so right

It's a typical tropical summer night
I'm in heaven - I'm in paradise
Typical tropical summer night
And it feels so right

When the moon lights up the sky so blue
Love is on it's way

I swear I'll give my heart to you
Before night turns into day

It's a typical tropical summer night
I'm in heaven - I'm in paradise
Typical tropical summer night
And it feels so right

It's a typical tropical summer night
I'm in heaven - I'm in paradise
Typical tropical summer night
And it feels so right
