"Watch Out"

I was just walking home from work
It seemed to be just like another boring day
Just like a thousand times before
When suddenly you got in my way
And I don't know just what to do
So I must stand here and look at you

Watch out, what you're doing to me
Watch out now, I'm falling for you
Watch out, what you're doing to me
Watch out now, I'm falling for you
Watch out, what you're doing to me
Watch out now, I'm falling for you
Watch out, what you're doing to me
Watch out now, I'm falling for you now

And as we stand here in the street
I get the impression that time is standing still
And there's no need for us to speak
Just watching you is giving me a thrill
And there ain't no time to think twice
We could be in for something nice

Watch out, what you're doing to me
Watch out now, I'm falling for you
Watch out, what you're doing to me
Watch out now, I'm falling for you
Watch out, what you're doing to me
Watch out now, I'm falling for you
Watch out, what you're doing to me
Watch out now, I'm falling for you now

Watch out..... watch out.....
I'm falling for you now

Watch out, what you're doing to me
Watch out now, I'm falling for you
Watch out, what you're doing to me
Watch out now, I'm falling for you
Watch out, what you're doing to me
Watch out now, I'm falling for you

Watch out, what you're doing to me
Watch out now, I'm falling for you now
