You are my dream  
Oh can't you see how much that I need you?  
You are my dream  
Oh can't you see?

You are my dream  
Oh can't you see how much that I need you?  
You are my dream  
Oh can't you see?

I can never explain  
How much I love you  
I will do anything  
You want me to

And I'm going to really  
Prove that it's true  
To prove that it's true

When I look in your eyes  
There's nowhere to hide  
I feel your love  
With no disguise

We've sealed our dreams  
With one single kiss  
A single kiss

You are my dream  
Oh can't you see how much that I need you?  
You are my dream  
Oh can't you see how much that I need you?  
You are my dream  
Oh can't you see how much that I need you?  
You are my dream  
Oh can't you see?

Life has so much to give us  
Right from the start  
It's like you and I  
Never have been apart

Your love to me  
Is pure paradise  
It's pure paradise

When I look in your eyes  
There's nowhere to hide  
I feel your love  
With no disguise

We've sealed our dreams  
With one single kiss  
A single kiss

You are my dream  
Oh can't you see how much that I need you?  
You are my dream  
Oh can't you see how much that I need you?  
You are my dream  
Oh can't you see how much that I need you?  
You are my dream  
Oh can't you see?

I need you....  
I need you....

You are my dream  
Oh can't you see how much that I need you?  
You are my dream  
Oh can't you see how much that I need you?  
You are my dream  
Oh can't you see how much that I need you?  
You are my dream  
Oh can't you see how much that I need you?
