I wanna join the army
I wanna see a foreign land
Learn to speak an exotic tongue and
How to kill with my hands

I wanna go to the middle east
I wanna go to Vietnam
Keep the commies out of W3
For HRH and Uncle Sam

See, i'm burning with ambition
I'm waiting for a mission. Woah Woah yeah.
Face me in the right direction
I'm full of good intentions. Woah Woah yeah.

But I sometimes have these doubts and
I don't like to talk about them
But it's good to get things out now and then.

I wanna be a general
I wanna be a leader of men
Send my troops on out to fight for
The Dollar, the Euro and Yen

I wanna be the president
I wanna be the bringer of war
If my finger was on the button
Well then I'd settle some scores

See, i'm burning with ambition
I'm waiting for a mission. Woah Woah yeah.
Face me in the right direction
I'm full of good intentions. Woah Woah yeah.

But I sometimes have these doubts and
I don't like to talk about them

I wanna join the army
I wanna see a foreign land
Learn to speak an exotic tongue and
How to kill with my hands

I wanna go to the middle east
I wanna go to Vietnam
Keep the commies out of W3
For HRH and Uncle Sam

See, i'm burning with ambition
I'm waiting for a mission. Woah Woah yeah.
Face me in the right direction
I'm full of good intentions. Woah Woah yeah.

Woah Woah Yeah.
