You're the God of this city  
You're the King of these people  
You're the Lord of these nation  
You are

You're the light in this darkness  
You're the hope to the hopeless  
You're the peace to the restless  
You are

There is no one like our God  
There is no one like our God

For greater things  
Have yet to come  
And greater things  
Are still to be done in this city

For greater things  
Have yet to come  
And greater things  
Are still to be done here
