"ASBO Teen"

She's a dirty bitch
Giving out a nasty itch
Always looking for a ride
Wants to be the blushing bride
Her mother is a drunk
Her father shoots up junk
Her boyfriend is a jerk
They have never worked

She's an ASBO teen
She's only seventeen
She's an ASBO teen
In an anti social scene

With chaves outside her house
Hip hop playing very loud
Hanging out with her crew

All breaking their curfew
Another - not guilty plea
She's blaming you and me
Never others where she's from
Like her boyfriend dad and mum

She's an ASBO teen
She's only seventeen
She's an ASBO teen
In an anti social scene

She's an ASBO teen
She's only seventeen
She's an ASBO teen
In an anti social scene
