Sitting in an S.T.D.
Waiting for an underground train
To rumble underneath my feet..

Bang goes another day.
Where it went, I could not say.
Now I'll have to wait another week.

When all is said and all is done,
What was said was never done.
Don't panic, it's not really worth your while.

Bang goes another year.
In and out of one ear.
Everybody's doing it so do it too.

(Chorus)
I don't need anyone
But a little love can make things better(2x).

Sitting on the early bus.
Passing through the morning rush.
It makes no difference that I'm not with you.

Bang goes another year.
In and out of one ear.
Everybody's doing it, aw do it too.

(Chorus)

(Instrumental Break)

(Chorus)
I don't need anyone
But a little love can make things better.
I don't need anyone
But a little of your love can make things better.
