This isn't the first time
I've left it too late
To get on top
I made that mistake
To be with someone
Never find what you need
We dont bail out
And I can't sleep.

You left me
Just when I needed you
You set me back
Just when I thought I got back
(Whistle, Do do do's, La la la's)
Just when I thought I got back.

This is the last time
I make this mistake
Can't see the stars
Yeah it's too late
To be with someone
Never find what you need
We dont bail out
Yeah I can't sleep
