You think you fucking know me  
What's your fucking game  
You think that your just like me  
We'll never be the same

You're fucked again,  
You're fucked again,  
You're fucked again,  
You're outta luck you stupid cunt  
You're fucked again,  
You've found yourself without a friend  
You're fucked again. you're fucked again

Get yourself a credit card and buy yourself a life  
You hapless piece of dog shit  
Or end it with the knife

You're fucked again,  
You're fucked again,  
You're fucked again,  
You're outta luck you stupid cunt  
You're fucked again,  
You've found yourself without a friend  
You're fucked again. you're fucked again

So where do you think you're going now,

What's your fucking plan  
Now that you've lost everything and  
Done everything you can  
Your landlords kicked you out your house  
Your girlfriends left as well  
You've got needles hanging out your arms  
Your life's a living hell  
Maybe things would have worked out a lot better  
If you weren't such a fucking cunt... go!

I'll have you for fucking breakfast  
For supper dinner too  
I'll knock your fucking teeth out  
Beat you black and blue

You're fucked again,  
You're fucked again,  
You're fucked again,  
You're outta luck you stupid cunt  
You're fucked again,  
You've found yourself without a friend  
You're fucked again. you're fucked again
