"Gene By Gene"

Visit "[Gene By Gene](#)" on MotoLyrics.com

I've got a brain it's a lift and drop I fall asleep other
side each time, intevene I ride a bullet like steve
mcqueen It's alright we got time can't see through my
blind got a radio hit in mind I never dug it Got a keith
and a barnet jumping Every night and day In the U.S.A.
I believe myself Gonna get to know you gene by gene
(bah bah bah bah bah bah bah x4) you're my jellybean
get out the shower round 4.15 that boy on the
pumping and I'm dead when I'm clean It's alright it's
just time got to get into a better business deep down
happiness Every night and day I never dug it I believe
myself In the U.S.A. I believe myself (bah bah bah bah
bah bah bah bah x4) (bah bah bah bah bah bah bah
bah) I believe myself (bah bah bah bah bah bah bah
bah) (bah bah bah bah bah bah bah bah x4) I believe
myself
