Your man is always flaming  
He's hitting his head against the wall  
He do it to you  
He do it again, He knows to do

I've always found you complicated  
A boy tried to shut you up  
I do what I do  
I do it again, Again, Again

CHORUS:

And I'd like you to know  
It's alright  
There's a world around us  
I need you to know  
I'm alright  
No need to worry about me  
Cause I'm just fine

Your man has lost his meaning  
Smash his head against the wall  
He do it to you  
He do it again

He's coming back to you  
You give me the strangest feeling  
You shut me of myself

You do it to me  
Then you do it again (x4)

REPEAT CHORUS

I'm just, I'm just fine  
And I'd like you to know I'm alright  
It's a world around us  
I need you to know  
I'm alright  
No need to worry about me  
Cause I'm just fine

I'm just fine (x3)
