Tazer happy cops,
Are out there shopping,
Profile, profile,
The truth is shocking.
No I.D.?
You've got no idea,
They're gonna stick it to you!

There is no threat,
There is no danger,
They don't care,
Cuz you're a stranger.
No I.D.?
You've got no idea,
They're gonna stick it to you!

Tazer happy cops,
Tazer happy cops,
Tazer happy cops,
Tazer happy!

There is no threat,
There is no danger,
They don't care,
Cuz you're a stranger.
No I.D.?
You've got no idea,
They're gonna stick it to you!

There is no power without control,
Without your fear they have no hold,

They're lying to you
They're lying to me
If freedom has a price then you're not really free!

Tazer happy cops,
Tazer happy cops,
Tazer happy cops,
Tazer happy!

Tazer happy cops,

Are out there shopping,
Profile, profile,
The truth is shocking.
No I.D.?
You've got no idea,
They're gonna stick it to you!

There is no threat,
There is no danger,
They don't care,
Cuz you're a stranger.
No I.D.?
You've got no idea,
They're gonna stick it to you!

Tazer happy cops,
Tazer happy cops,
Tazer happy cops,
Tazer happy!
