Do you do anything you ever do?  
No, she said  
Do you want anything you ever wanted?  
No, she said

She don't know how, how to feel  
This is a bad day, this is a bad day to know

Do you have anything you ever had?  
No, she said  
Do you love anyone you ever loved?  
Yes, she said

She don't know how, how to feel  
This is a bad day, this is a bad day to know  
She don't know how, how to feel  
This is a bad day, this is a bad day to know

[Incomprehensible]

She don't know how, how to feel  
This is a bad day, this is a bad day to know  
She don't know how, how to feel  
This is a bad day, this is a bad day to know

To know, to know
