So far I've not really stayed in touch  
Well, you knew as much  
It's no surprise that today I'll get up around two  
From a lack of anything to do

And I might as well just grin and bear it  
'Cause it's not worth the trouble of an argument

And you have not really stayed in touch  
Well, I knew as much  
It's no surprise that today I'll get up around two  
With nothing to do except get a touch of flu

And I might as well just grin and bear it  
'Cause it's not worth the trouble of an argument  
And in any case I'd rather wear it  
It's like a badhead in the morning and I know

And I might as well just grin and bear it  
'Cause it's not worth the trouble of an argument  
And in any case I'd rather wear it  
It's like a badhead in the morning

So I might as well just grin and bear it  
'Cause it's not worth the trouble of an argument  
And in any case I'd rather wear it  
You're like a badhead in the morning and I know
