Beetlebum  
What you've done  
She's a gun  
Now what you've done  
Beetlebum  
Get nothing done  
You beetlebum  
Just get numb  
Now what you've done  
Beetlebum  
And when she lets me slip away  
She turns me on  
All my violence is gone  
Nothing is wrong  
I just slip away and I am gone  
Nothing is wrong  
She turns me on  
I just slip away and now I am gone  
Beetlebum  
Because you're young  
She's a gun  
Now what you've done  
Beetlebum  
She'll suck your thumb  
She'll make you come  
Coz, she's your gun  
Now what you've done  
Beetlebum  
And when she lets me slip away  
She turns me on  
All my violence is gone  
Nothing is wrong  
I just slip away and I am gone  
Nothing is wrong  
She turns me on  
I just slip away and now I am gone  
He's on, he's on, he's on it.
