He makes an inner arm block
Then kicks off from behind
The lights they go off
But he can fight blind
Coz he got the touch
But he won't live long
Coz he comes from Hong Kong
Where people are strong

Chinese bombs, millions jump,
Chairman's junk USA
Won't somebody, won't somebody
Sink this place

Got a cab to go to Soho

The dragon says go
Let everyone know
You got the touch
You come from Hong Kong
Where people are strong
And you won't live long

Chinese bombs, millions jump
Chairman's junk, USA
Won't somebody, won't somebody
Bruce Lee comes to save the day
Bruce Lee comes to save Chinese way
